ACL Digital
an ALTEN group company

Corporate Brochure

ACL Digital is a pioneer in design-led Digital Experience, Innovation, Enterprise IT Modernization, and Product Engineering Services.

Innovate . Digitize . Transform

About Us

ACL Digital helps clients design and build innovative products (AI, Cloud, and Mobile ready), content and commerce-driven platforms, and connected, converged digital experiences for the modern world through a design-led Digital Transformation framework. By integrating our strategic design, engineering, and industry capabilities, we help our clients decode the digital world and accelerate their growth journey.

Headquartered in Silicon Valley, ACL Digital is a leader in design-led digital experience, innovation, enterprise modernization, and product engineering services converging to Technology, Media & Telecom. We are a talented workforce and part of the 57000+ employee ALTEN Group, spread across more than 30 countries, offering a multicultural workplace and a collaborative knowledge environment.

Business Values

- Customer Focus

- Cloud development, migration, integration & Support
- Experience Design
- Content & Commerce
- Mobile & IoT
- Intelligent Automation
- BI Dashboards, Big Data
- AI & Machine Learning
- Data Engineering
- Cyber Security
- SRE & DevOps
- DevSecOps
- Extended Reality

Clinical Services

- Staffing & FSP
- Digital
- Biostatistics & Statistical Programming
- Pharmacovigilance
- Regulatory services
- Clinical Data Management
- QA & Validation

Enterprise Services

- Oracle
- SAP
- NetSuite
- Dynamics 365
- Workplace
- Managed Services

Talent & Workforce Solutions

- SOW Staffing
- MSP Staffing

Our Innovation Frameworks

ACL Learn
Learning Experience Platform

Chatbots
AI Based Conversational Platforms

Automation Orchestration

Edge Cloud

XPARK
Product Innovation

Omnicare App
Digital Care Delivery

Virtual CPE

Automotive Ethernet Stack

What Differentiates ACL Digital from Others?

ACL Digital's strategic approach, exceptional services, and IT expertise provides personalized solutions and helps its clients achieve business objectives. We work closely with our clients to ensure that they have the right tools, technology, and resources they need to be successful.

Strategic Partnerships & Solution Accelerators

- In-house solution accelerators to drive innovation, efficiency & automation
- Track record of building long-term win-win partnerships with global customers

Culture and Core Values

- Trust, integrity, teamwork, equality and care are infused across our corporate strategy and values
- We support gender diversity and provide a work environment which nurtures talent with global exposure

Industry Standard Processes

- Agile project management and metrics driven Project Governance Framework
- Agile project mgmt. tools with 100% transparency and seamless collaboration

Industry Experience

- 25 Years of strong Product Engineering and Enterprise IT experience
- Focus on digital products, software and platforms
